Re: Section 50 Application – Road Bridge on the River Blackwater, at Coolshannagh Road, Co. Monaghan

Dear Mr. Glanville,

I refer to the above Section 50 application received by this office.

The documentation submitted has been examined and I recommend that the consent of the Commissioners of Public Works under Section 50 of The Arterial Drainage Act, 1945 be given for the proposed bridge as follows:

The 3m extension involves an approximate 15m single span structure and extension to existing flood eye as per that detailed on the submitted drawing;

Drawing No 5213957-ATK-01-ZZ-SK-C-900102 Rev 4.

It should be noted that consent is given only for the purpose of Section 50 and does not absolve the recipient of responsibility for any adverse effects caused by this installation to any third party.

The Commissioners of Public Works are not responsible and accept no liability for any loss or damage whatsoever caused because of this development.

Yours sincerely,

A handwritten signature in blue ink that reads "Karen Donovan".
